EDITORIAL

Sweet young girls with a feel for the curious and the sensual in life, women too young to vote but old enough to know a few twists and turns -- these are kinky kittens.

It's not enough to have a lovely face and a youthful, taut body. Such girls are common, and must -- if they hope to be kinky -- also possess the ability to innovate, to create an atmosphere of sensual delight that will arouse the most jaded of partners to new heights of sexual enjoyment.

These then are KINKY KITTENS, sensual, youthful experts in the art of physical pleasure.

No longer are we satisfied with the banal and the ordinary and these beauties know it. It is to them that men turn when they seek fulfillment in pleasure, when they wish to be overwhelmed with satisfaction, left drained and without desire.

There is nothing the kinky kittens will overlook in their search for pleasure -- and remember, what they discover to be pleasure will soon be their man's pleasure, for they live to share their discoveries and experiences with the lucky males who catch them.

Feel up to the hunt? Here they are, ready when you are -- and eager to please!
